## LEAD-SAFE RENOVATION, REPAIR & PAINTING COURSES

### Renovation Workers **MUST** be Trained to become Certified!

ECS is offering the  
**8-HR EPA Renovation, Repair & Painting Initial (8:30am-5:00pm)**  
training course every Tuesday from  
July - December, at our Agawam location.

#### WHO SHOULD TAKE THE CLASS?

- > Home Improvement/Renovation Contractors
- > Residential Rental Property Managers/Owners
- > Remodelers/Carpenters
- > Painters
- > Plumbers
- > Electricians
- > Maintenance Personnel
- > Workers Removing or Modifying Painted Surfaces
- > **ANYONE** disturbing more than 6 sq. ft. (interior) & 20 sq. ft. (exterior of lead paint)

#### WHY SHOULD YOU TAKE THE CLASS?

The United States Environmental Protection Agency's new lead paint regulation stipulates that contractors performing renovations, repair and painting projects that disturb lead-based paint in target housing and child-occupied facilities built before 1978 must be certified and must follow specific work practices.

Firms **MUST** be certified **AND** have one or more Certified Renovators on site.

Firms who knowingly or willingly violate the EPA regulation may be fined up to **\$32,500 per violation.**

ECS is an EPA approved training provider and is currently conducting training in New England. Please see the schedule for training at our Agawam, MA location. If you would like information about other locations, on-site training or group training please call 1-800-789-3530 or visit [www.ecsconsult.com](http://www.ecsconsult.com).
