

# FACILITIES ASSISTANCE SERVICES

WHERE BUSINESS AND THE ENVIRONMENT CONVERGE

DESIGNED FOR  
YOUR BUSINESS...

KEEPING YOU  
COMPETITIVE...

## Regulatory Compliance Programs

**The ECS Facilities Compliance experts are there when you need them.** We understand that many companies simply cannot afford to maintain an environmental, health and safety staff. Our full-service staff of professionals will work with you to identify your unique requirements. Whether you need to develop a comprehensive Regulatory Compliance Program or file an annual report, ECS stands ready to provide the necessary resources to meet your specific business needs in order to keep you competitive. Our EH&S programs and services include:
