

Laborers on State of CT Public Works Projects Require Outreach Certification Every 5 Years

The State of Connecticut Department of Labor requires laborers to complete the OSHA 10-Hour Construction Outreach training course as a requirement to work on certain public works projects. Outreach student course completion cards must be dated no earlier than 5 years before the commencement date of such public works projects.

**ECS is offering the
OSHA 10-Hr. Construction Outreach Training Course
every month January-June.**

Please see the schedule for training at our Training Center in Agawam, MA. If you would like information about training courses at other ECS locations, on-site training or group training, please call our Authorized Outreach Instructors at (800) 789-3530 or visit www.ecsconsult.com.

ECS now offering Sexual Harassment & Discrimination Prevention Training

**Massachusetts General Laws (MGL) Chapter 151B
advises employers this training should be conducted
on a regular basis and that additional training should
be provided for supervisors.**

ECS' training program is modeled from the Massachusetts Commission Against Discrimination (MCAD) training program, "Preventing Harassment in the Workplace." Our trainer has attended MCAD's certified training programs and has more than 17 years of diversified human resources experience. The training can be conducted at your facility or in our comfortable 30-seat Training Center in Agawam, MA.

For more information and to schedule your training, contact Cathy Zurlino at (800) 789-3530 or czurlino@ecsconsult.com.
